STUDENT COUNCIL GUIDELINES

What is a Student Council?

Student Council is a great way for students to take on leadership roles, promote the voice of the student body, solve problems and impact their community. Student councils are powerful leadership and learning opportunities.

When it comes to the effective functioning and continued success of a school, one of the most valuable roles is undoubtedly, played by the students. The involvement of students in the operation of a school is the crucial part of their learning and educational process. It was this notion that led to the establishment of a Student Council at Monnet DAV Public School, Naharpali, Raigarh.

We are proud to have a well - structured and disciplined body of the student council who are dedicated towards the welfare of the school and their fellow schoolmates. Over the years, the Student Council has helped the students and school in more ways than one, and so, today we wish to focus on some of the key benefits of having a Student Council.

Letting the young buds take on leadership, roles and responsibility.

We firmly believe that there's a leader in every child that needs a gentle nudge to come to the forefront. We prepare such young leaders who are ready to handle the responsibilities that we entrust them with.

Giving them a voice by offering them the first-hand understanding of democracy.

Democracy lies fundamentally in giving voice to those who have been bestowed responsibility to represent and speak for themselves . When you think of it from this perspective, there can be nothing better than being a part of the Student Council to get the first-hand idea of democracy. We want our children to have a voice in varied aspects concerning our institution, right from organising competitions and events to establishing regulations.
